

**Available 3Q2017**

With Rinnai EnergySaver® Direct Vent Wall Furnaces, no ductwork means a quick and easy installation. For 2017, Rinnai is proud to add a new market-driven feature:

### Wall Thermostat Control

The installer can pair the Direct Vent to a wide variety of wall thermostats; from the simplest models to the most sophisticated, programmable thermostats. End-users can control their Direct Vent Wall Furnaces using the newest generation of Wi-Fi-enabled thermostats from almost any third-party manufacturer. Please visit [www.Rinnai.US](http://www.Rinnai.US) for more information.
